

## GREEN TIP OF THE MONTH

### *Spring into Action*

Renew the simple concept with a BIG impact! Reduce, Reuse, and Recycle! Save natural resources, protect the environment and save money!

**Reduce** the amount of waste you create. Buy only what you need and use reusable tote when shopping!

**Reuse** or find new uses for old items. Otherwise, find a new home for items that may be of value to someone else!

**Recycle!** Most paper, cardboard, aluminum foil, glass bottles or jars as well as most plastic containers can be recycled. Make recycling part of your life! Let us know how we can help.
