

“SWAP IT”

Sponsored by the South Kingstown Parks and Recreation Department

A great way to recycle!
Children and Adult items welcome...

Join us on Saturday, January 28th
from 12:30 – 2:00 p.m. at the Guild
(snow date – Saturday, February 4th)

Are you looking for some different books to read?
Have you played the same games over and over again?
Have those CD's worn out their welcome?
Are the kids looking some “new” toys to play with?

Whatever the reason, bring your gently used items and then come back to SWAP them!

****New this year is the addition of learning toys for children ages 6 and under****

Items may be dropped off Tuesday, January 23rd through Friday, January 27th at the Guild front desk between 8:00 a.m. and 8:00 p.m. (items will not be accepted on the 28th). Staff will check and count all of the items and then give you a ticket indicating the number of items you dropped off. The ticket is VERY IMPORTANT!!!!

Items should be in usable shape and include all pieces. Staff reserves the right to refuse items they feel are not acceptable. ***You must present the ticket on the 28th in order to take any items home with you. For more information please call the Neighborhood Guild at 789-9301.
