Development Plan Review

---

At the meeting of the South Kingstown Technical Review Committee (TRC) held on April 13, 2022 the TRC reviewed the Development Plan application for the Union Fire District for a proposed 80 foot, 3-post lattice simulcast radio tower with internally housed equipment at the property located 4124 Tower Hill Road on AP 42-2, Lot 17.

Upon review and discussion with the applicant the TRC granted **conditional approval** of the application with no conditions or further suggestions.

Said motion was made by J. Schock, duly seconded by D. Flanders, and was approved unanimously (R. Bourbonnais; P. D'Agostino; D. Flanders; J. Gorman; C. Hiener; J. Rabbitt; J. Schock;).

Respectfully,
