RE: Wetland Affidavit  
Hosley Plat  
1696 Ministerial Road  
South Kingstown, RI 02879  
Assessors Plat 54 Lot 57

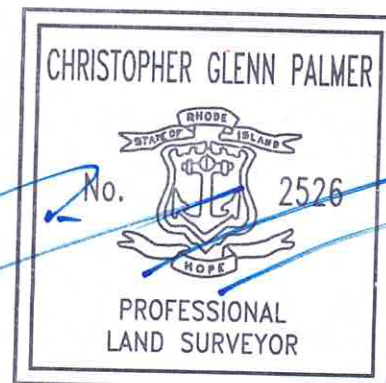

I have conducted an environmental site evaluation of the site and determined in my professional opinion that the site does not have any wetland features located within its boundaries. The site is also not impacted by any wetland setbacks or buffer zones as described in the RIDEM Freshwater Wetlands Rules (250-RICR-150-15-3).

My qualifications include practicing as a Registered Forestry Consultant with RIDEM for over 20 years and permitting projects through RIDEM. I have been working in the field of Land Planning and surveying for over 20 years and a Registered Professional Land Surveyor for 4 Years.

If you have any questions please feel free to contact me.

Sincerely

  
Christopher G. Palmer
