*'Home Style' SK
Working to Implement the
Town's Long-Standing Vision
for Housing Diversity*

A place where...

- #1 People have access to homes that suit their needs at every age
- #2 New housing stock meets diverse needs
- #3 There is a healthy mix of residential and commercial that boosts tax revenues
- #4 You don't have to have an upper-middle class income to live here
- #5 More homes have accessible and/or universal designs

South Kingstown is a special place...

Keeping it that way requires purposeful planning

Date: Tuesday, March 17

Time: 4:00 – 8:00 PM – *No formal program! Please drop in at any time for as little or as long as you'd like.*

Place: South Kingstown Recreation Center – 30 St. Dominic Rd

Topics: Reaching our housing vision through zoning amendments related to . . .

- Cottage Communities
- Inclusionary Zoning
- Accessory Dwelling Units
