COASTAL COMMUNITY OVERLAY DISTRICT FILING AND SUBMITTAL REQUIREMENTS

Six (6) Copies of the following:

1. Completed application.
2. A site plan showing location of existing structure or unit, proposed additions or alterations, the location of adjacent structures and roads with dimensions.
3. Floor plan(s) of existing structure or unit.
4. Floor plan(s) of proposed replacement structure, or existing structure with alterations or additions, with dimensions.
5. Elevation plan showing the height of replacement structure or existing structure with any proposed additions or alterations.

All plans must be drawn to scale, showing all dimensions, on 8 ½ x 11 or 11 x 17 paper. Approval from the plan review committee is **NOT A BUILDING PERMIT**. Application and issuance of a Building Permit is required before work is commenced. Contact the Building Inspectors Office for application requirements for a Building Permit.
