RE: Cunningham Request, 35 Fire Lane 2, Wakefield RI 02879
Date: October 19, 2020

The Board of Directors of The Jerry Brown Farm Association, Inc. fully supports the request submitted by Daniel Cunningham for building a new home at 35 Fire Lane 2.

Our Association has developed rigorous standards for renovation, expansion or complete rebuilding homes within our property limits. Our standards address size and height for each request. We require the Association approval before the shareholder seeks building permits from the Town. We want to assure each project's dimensions and size are appropriate for the site and will not adversely impact other shareholders. Please know Mr. Cunningham's request has received the full approval of our Association.

We urge you to approve the plans as submitted.

Respectfully,

Eric Thorkilsen
