RE: Water Availability at AP 47-2 Lot 32, Curtis Corner Rd, South Kingstown RI

Dear Josh,

As shown on the Pre-application Plan dated 11/21/2019 for the above referenced property, Suez Water Rhode Island will provide water to three separate lots with frontage on Curtis Corner Rd. Each proposed lot must have its own separate tap, curb stop and service on Curtis Corner Rd.

Please provide us with the final design showing the proposed water services and their setbacks from the respective OWTS's.

If you require any further information or have any additional questions, please feel free to contact me.

Very truly yours,
