**Project History**

The Combined Conceptual Master and Preliminary Plan for this project was originally approved by the Planning Board on May 12, 2015. The applicant requested and received a one (1) year extension to the approval in July 2020. Said 1-year approval is set to expire on August 1, 2021. **Due to the pandemic situation, the applicant asserts that the proposed office use for this site will take additional time to recover. Therefore, the applicant is requesting this extension be valid for a period of two (2) years (until August 1, 2023).**
